StashBuster Club Supply List “Build Your Own Snowman”

AccuQuilt Cutter

Die #55012 Circles

Die #55321 Holiday Accessories

Mat 6”x12”

2 yards of Steam-a-Seam 2 Lite

(it’s important to use Steam-a-Seam because it has a tacky web, and will be easier to build your snowman.)

5/8 yard snowflake fabric

1/4 yard gray fabric

1/2 yard white fabric for snowman

Assorted scraps for hats, mittens, arms, etc

HOMEWORK

Cut 20”x WOF of snowflake fabric

Cut 2 pieces that are 8-1/2” x 20” of gray.

Remove selvage from snowflake fabric and stitch on gray bands.

Do NOT bring your sewing machine.

This class is all about cutting with your AccuQuilt Cutter. Loretta will demonstrate the applique techniques for this project during class, so that you will have the knowledge necessary to finish this quilt at home.
