Winter Spring 2018

Newsletter and Event Schedule

Dear Sewing Friends,

We are so excited that we are finally getting some warmer weather!

We have lots of new classes for you—new paper piecing, new quilting classes. There are also lots of ruler classes available so you can add more detailwork to your quilting. Also back by popular demand is Stephanie's T-Shirt Quilt Top class.

There is a NEW Singer Featherweight—a modern take on a vintage machine. This machine is light-weight, but it has built in dual feed! You don't need to spend a lot to be able to get some great features!

We are looking forward to doing our Bernina and Baby Lock trainings this summer and learning about new machines and finding out what fun products they have in store for us. Have you seen the NEW Bernina Next Generation 5 series? With the bigger bobbin, built-in dual feed, and more throat space, what's not to love? If you want to sew and embroider, check out the Baby Lock Aventura II. With a 6"x10" embroidery field, color screen, AND it cuts your jump threads, you'll have lots of fun.

There are several quilt shows coming up—so mark your calendars! The Pennsylvania National Quilt Extravaganza is September 13-16, 2018. Brandywine Valley Quilters has their quilt show October 20-21, 2018

We look forward to seeing you! Trevor, Mary, Stephanie, Loretta, Pam, Patrycja, Helen, and Mary Jane
