PERFECT POUCHES

#113

These handy little pouches are perfect for all kinds of great things. Whether you need a little bag for your sewing supplies, to use with your luggage or to throw in your purse or backpack, there is a perfect size for you. The inside is fully lined. Use any standard zipper and find out how easy it is to put a zipper in using Lazy Girl's trademark 'Sew Easy' zipper technique.

Once you've learned how to make Perfect Pouches, use them as pockets on the inside – or outside – of other projects. Make a pouch without the batting, then topstitch in place for a pocket where you need it!
